SWIMMING

**RULES:**

Current U.S.A. and Pacific Swimming rules will govern the meet. Pacific Swimming warm-up procedures will be in effect. A copy of these procedures will be posted at the Clerk-of-the-Course. All events are trials and finals except the 1000 and 1650 Freestyle events and all relay events. Swimmers may enter as many events as they have met or exceeded the listed time standards. However, they may only compete in a maximum of seven (7) events in the entire meet. This means that if a swimmer enters more than seven events, he or she must scratch down to the 7 event limit and no refunds will be given. Swimmers are further restricted to swimming no more than three (3) events in any single day of competition, including distance events. Relay events do not count against these limits. Swimmers must provide their own lap counters and timers for the 500, 1000 and 1650 freestyle events and their own timers for the 1000 and 1650 freestyle events. See special rules for distance events and relays below. Preliminary events (Trials) will be swum slowest to fastest starting with non-conforming long course meter "FW" times (LCM), non-conforming short course meter "FW" times (SCM), then conforming short course yard "FW" times (SCY), except where noted for distance events. Entry times submitted for this meet will be checked against a computer database and may be changed according to Pacific Swimming entry Time Verification Procedures. All coaches and deck officials must wear their USA Swimming membership cards in a visible manner. Coach and deck official packets will be given only to those displaying their cards. Equipment shall be installed so that it will not interfere with swimmers' start, turns, or finish and the normal overflow functions of the pool water recirculation system. All deck-level wiring shall carry no more than 12 volts.

**PROOF OF TIME:**

Proof of time will be REQUIRED in advance for all swimmers for this meet per Section 4.C.2 of the Pacific Swimming Rules and Regulations.

1. All entry times will be verified against the USA Swimming SWIMS database. Entry times must have been achieved before the closing date, March 24, 2010, for entries. If a time cannot be proven before the meet, the swimmer will not be allowed to check in for the event until the entry time has been proven. No refunds will be given if a time cannot be proven. Only official results from sanctioned, approved or observed meets may be used to prove times. Swimmers from foreign swim federations MUST prove all their times before being allowed to check in.
2. Converted times are not to be used. Time standards for this meet are provided in short course yards, short course meters, and long course meters. A swimmer who has met the qualifying time standard for an event in any course may enter that event in this meet.
3. When possible, coaches will be notified of swimmers who have not proven entry times.

## MEET SHEET

### **DISTANCE:**

The 1650 and 1000 yard Freestyle events are timed finals and will be scored. The Meet Referee and Meet Director will determine the course(s) to be used based on the number of swimmers checked-in for these events. Swimmers need to provide their own lap counters and timers. Check in for the 1000 and 1650 Freestyle events (Events 201-204) will be open from the start of the meet until 11:00 AM on the day of the event. The 1000 and 1650 Freestyle events will be swum fastest to slowest, either alternating women and men or on separate courses.

### **CHECK-IN:**

The meet will be deck seeded. Swimmers must check-in at the Clerk-of-Course. Close of check-in for all events shall be no more than 30 minutes before the estimated time of the start of the first heat of the event. Check in for the 1000 and 1650 Freestyle events (Events 201-204) will be open from the start of the meet until 11:00 AM on the day of the event. Swimmers who do not check in will not be seeded and will not be allowed to compete in that event.

### **SCRATCHES:**

The Pacific Swimming scratch rules will be in effect. A copy of these rules will be posted at the Clerk-of-Course. A copy may be obtained from the Meet Director before the meet by providing a self-addressed, stamped envelope. There is no penalty for swimmers not checking in for a particular event; they will simply be scratched from it. Swimmers entered in an individual event that is seeded on the deck who have checked in for that event, must swim in the event unless they notify the clerk of the course before the seeding for that event has begun that they wish to scratch. Failure to swim an event will result in being scratched from the meet unless the swimmer returns to the clerk of the course and repeats the check-in process for remaining events. Failure to swim an event after the second check-in process will result in being bared from the next individual event in which a swimmer is entered on that day or the next meet day, whichever is first. Events seeded on the deck shall be for seeding no earlier than 30 minutes before the estimated start of the event. A swimmer shall be barred from competing for the remainder of the meet if he or she fails to compete in the final that he or she originally qualified for, unless properly scratched. This rule includes a fine of \$25 for any swimmer originally qualifying for a final but failing to compete in that final if the final is the swimmer's last competition of the meet.
